## RESILIENCE CORP LEADERS (RCL / RRCL)

The RCL program is a leadership training program combined with a community-based service award that prepares students to step into their brilliance as they take on the role of resilience leaders in the college campus and broader local community.

## VOLUNTEER WITH US!

While we offer paid positions / award program grants, we also are always seeking talented volunteers to work with us as well! There are many opportunities at KCC as well as work with community partners that can offer extracurricular experiences for all ages.
