HOSTED BY: CERENE AT KAPI'OLANI COMMUNITY COLLEGE,  
U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT AND THE HAWAII STATE ENERGY OFFICE

## RESILIENT STRONG TOGETHER!

Join us for the second Annual Hawai'i State Hubs Virtual Forum - planned from 10am to 1pm on July 19th. This event will be hosted virtually via zoom and will feature a guest speaker from the U.S. Department of Housing and Urban Development (HUD) and the FEMA Region IX Federal Disaster Recovery Officer. We will also have a talk-story opportunity highlighting work taking place across each of the neighbor islands, as well as open networking, Q&A and presentations from student leaders during the last hour. Please share broadly with partners and leaders in community resilience! All welcome to join. RSVP below for zoom link or access QR code.
